## EFT Tapping Points

Even though I have this \_\_\_\_\_,  
I deeply and completely accept myself.

Important note: While EFT has produced remarkable clinical results, it must still be considered to be in the experimental stage and thus practitioners and the public must take complete responsibility for their use of it. Further, Rob Nelson, MS is not a licensed health professional and offers EFT as an ordained minister and as a personal performance coach. Please consult qualified health practitioners regarding your use of EFT.
